Emergency Medical Evacuation Benefit

If You suffer a life-threatening/limb-threatening medical condition, and We, and/or Our designee, determines that adequate medical facilities are not available locally, We, or Our designee, will arrange for an emergency evacuation to the nearest facility capable of providing adequate care. You must contact Us at the phone number indicated on Your identification card to begin this process.

In making their determinations, We, and/or Our designee, will consider the nature of the emergency, Your condition and ability to travel, as well as other relevant circumstances including airport availability, weather conditions, and distance to be covered. Your medical condition must require the accompaniment of a qualified healthcare professional during the entire course of your evacuation to be considered an emergency and requiring emergency evacuation.

Transportation will be provided by medically equipped specialty aircraft, commercial airline, train or ambulance depending upon the medical needs and available transportation specific to each case.

As part of a medical evacuation, the Administrator shall also make all necessary arrangements for ground transportation to and from the hospital, as well as pre-admission arrangements, where possible, at the receiving hospital.

Repatriation

Following any covered emergency evacuation, We will pay for one of the following:

1. If it is deemed Medically Necessary and appropriate by Our or Our designee’s medical director, You will be transferred to your permanent residence via a one-way economy airfare or;
2. You will be transferred back to your original work location or the location from which you were evacuated via a one-way economy airfare.

If Your transportation needs to be medically supervised a qualified medical attendant will escort you. Additionally, if We and/or Our designee, determines a mode of transport other than economy class seating on a commercial aircraft is required, We or Our designee will arrange accordingly and such will be covered by Us.

Return of Dependent Children

If You have minor children who are left unattended as a result of your injury, illness or medical evacuation, We or Our designee will arrange and pay for the cost of economy class one-way airfares for the transportation of such minor children to Your Home Country or Country of Assignment.

The combined benefit for all necessary Emergency Medical Evacuation services is listed above.

Repatriation of Mortal Remains Benefit

If You die while covered under this Policy, We will pay the necessary expenses actually incurred, up to the Maximum Limit shown in the Schedule of Benefits, for the preparation of the body for burial, or the cremation, and for the transportation of the remains to Your Home Country. This benefit covers the legal minimum requirements for the transportation of the remains. It does not include the transportation of anyone accompanying the body, urns, caskets, coffins, visitation, burial or funeral expenses. Any expense for repatriation of remains requires approval in advance by Us or Our designee.

No benefit is payable if the death occurs after the Termination Date of the Policy. We will not pay any claims under this provision unless the expense has been approved by the Administrator before the body is prepared for transportation.

The benefit for all necessary Repatriation or Mortal Remains services are listed above.
**Emergency Family Travel Arrangements**

If We determine that You are expected to require hospitalization in excess of 7 days at the location to which You are to be evacuated, an economy round-trip airfare will be provided to the place of hospitalization for an individual chosen by You. If Your Dependent Child is evacuated, one economy round-trip airfare will be provided to a parent or legal guardian regardless of the number of days that the Dependent child is hospitalized.

If We determine that You are expected to require hospitalization due to an Injury or Sickness for more than 7 days or are in critical condition while traveling outside of Your Home country, the Insurer will pay up to the maximum benefit as listed above for the cost of one economy round-trip airfare ticket to, and the hotel accommodations in, the location of Your hospital confinement for one person designated by You. Payment for meals, ground transportation and other incidentals are the responsibility of the family member or friend.

The benefit for all necessary Emergency Family Travel Arrangements is listed above.

**General Limitations/ Exclusions for Evacuation Benefits**

No payment will be made for charges for:

1. services rendered without the authorization or intervention of Us or Our designee;
2. non-emergency, routine or minor medical problems, tests and exams where there is no clear or significant risk of death or imminent serious Injury or harm to You;
3. a condition which would allow for treatment at a future date convenient to You and which does not require emergency evacuation or repatriation;
4. medical care or services scheduled for Your or provider's convenience which are not considered an emergency;
5. expenses incurred if the original or ancillary purpose of Your trip is to obtain medical treatment;
6. services provided for which no charge is normally made;
7. expenses incurred while serving in the armed forces of another country;
8. transportation for Your vehicle and/or other personal belongings involving intercontinental and/or marine transportation;
9. service provided other than those indicated in this endorsement;
10. for claim payments that are illegal under applicable law.

There are no other changes to the form to which this rider is attached.
